FOR IMMEDIATE RELEASE

Route 92 in Half Moon Bay One-Way Traffic Control for Ditch Cleaning

***Sunday, October 15 – Thursday, October 19
2:00 AM – 6:00 AM***

Half Moon Bay – Caltrans will close one lane of Route 92 in Half Moon Bay between Lemos Farm and Pilarcitos Creek Bridge, a distance of about three miles, for five consecutive nights to allow work crews to clean overgrown, littered ditches along the road.

One-way traffic control will be in effect between the hours of 2:00 AM – 6:00 AM from Sunday 10/15 – Thursday, October 19, 2017. Flaggers, CHP, and a pilot car will assist with the traffic control.

A highway grader will cull debris and sediment from ditches into piles along the roadside, while a front-end loader will scoop the debris into dump trucks for hauling away. Caltrans wants to clean the ditches before the rainy season begins to prevent flooding.
